Old Business

Jota – Ron, NX8Y, Chris, W8RNO , and Ed, KE8ANU setup 2 HF stations and a 2 meter station at Camp Otter Run for the Darby District Fall Camporee, the same weekend as JOTA. Ron set up some CW keys and showed a video the recreated the Titanic Morse code transmissions. There were about 100 scouts and several adult leaders that were at the Camporee. A good number of scouts and some adult leaders talked to other stations on the HF and 2 meter stations.

Logo – Rob sent a couple logos to Paul. Paul is to send them to Ed to put on the website.

New business -

Setup QRZ page for W8UCO – Ron NX8Y said he would do that.

Dec Meeting at Station 720, show your GO Boxes/show and tell type meeting

January Meeting - TBD

Der Dutchman - ?

Little Tonys – seats 40 people in their back room, pricing could be from catering menu.

Lucaseys ?

Repeater is staying in its current location. It will be put on casters and moved in the corner of the room. Tower is staying at county services building. May eventually add another tower at Station 720 and use 40 meter beam from ECC on it. HF and 2 meter radios moved to Station 720. Amplifier is working good.

Business meeting finished at 7:23pm

Nov 12th next Breakfast

Ken, W8KWH 's Echolink Presentation ended at 8:23pm
